

PHIL DALY, JR., WINS IN GAMBLING CASE

Judge Cowing, in General Sessions, Dismisses the Indictments Against Him and George and Henry Middleton.

The indictments against Phil Daly, Jr., for conducting a gambling house at No. 105 West Forty-seventh street, and against George and Henry Middleton, for conducting a similar establishment at No. 38 West Thirty-ninth street, were dismissed today by Judge Cowing, in Part I, Court of General Sessions, on the demurrer of the defense that the evidence submitted to the Grand Jury did not warrant the finding of the indictments.

Access to the Grand Jury minutes was granted a few days ago, and today Attorney Levy, Unger and Meyer, for the defendants, submitted their demurrers.

Judge Cowing, in dismissing the indictments, said:

"The evidence is too indefinite and uncertain to justify the finding of these indictments. There is too much surplusage without the assistance of legal evidence. All the evidence is vague and indefinite."

Policeman Harry W. Fritchman had told the Grand Jury that he had seen the defendants at the place at No. 105 West Forty-seventh street, but he would make no comment. He was greatly surprised.

RELATIVE OF LOU DILLON FAST TOO

Another trotter has just been discovered that promises to develop into a second Lou Dillon. The trotter is Stanley Dillon, a son of Sidney Dillon, the sire of Lou Dillon. Last week at Memphis Stanley Dillon, who is a green trotter, stepped out a mile in 2:10, squalling Major Delmar's time made over the same track a year ago.

Ed Gerra, the veteran trainer, thinks that in Stanley Dillon he has a trotter which will wrest the premier honors from Lou Dillon in the near future.

GUERRERO'S TEAM LEADS WALKERS

(Special to The Evening World.) PHILADELPHIA, Nov. 10.—The six-day walking race developed in a grueling affair and the leader is setting a terrific pace. Davies, the Indian, and Guerrero, the Mexican, are leading the bunch, followed closely by Fahey and Metkus, the Shenandoah miners. After going twelve hours and three minutes the Indian and Guerrero covered 100 miles. Metkus and Fahey covered the century mark four minutes later.

There was great excitement as the men raced around the track and both were cheered and urged on to their top speed.

Five teams are all within halting distance of the leaders. The pace became so hot in the early hours of the morning that Cavanaugh and Hegleman, the favorite team in the race, were forced from first to third position.

The 2 o'clock score follows:

M. L. U.	
Davis and Guerrero	100
Metkus and Fahey	98
Cavanaugh and Hegleman	95
Johnson and Taylor	92

KAISER DESIGNS YACHT CUP.

Trophy to Be Offered in Transatlantic Race His Own Conception. BERLIN, Nov. 10.—Emperor William is himself designing the cup that will be given by him for a transatlantic yacht race. The statement sent to the Associated Press from here that the Emperor's American-built schooner Meteor would be entered was premature. The Emperor has not yet decided to do so. Some of the considerations against entering the contest are that the monarch has no other yacht to race at Kiel in June and that the passage to America would have to be begun in March, during the period of rough weather.

The Foreign Office and the Navy Department say it is not true that the Imperial yacht Hohenzollern is preparing to go to North America, as announced in the German papers.

LOU DILLON ON SPEEDWAY AGAIN

Lou Dillon, the champion trotter of the world, made her second appearance on the Speedway yesterday and again won. She was driven by her trainer, Stanley Dillon, and she won the race in 2:10, squalling Major Delmar's time made over the same track a year ago.

Ed Gerra, the veteran trainer, thinks that in Stanley Dillon he has a trotter which will wrest the premier honors from Lou Dillon in the near future.
